American Reinvestment and Recovery Act (ARRA) Certification Statement

Amerlux Exterior Global Lighting Solutions is entered into the Department of Energy (DOE) and National Association of State Energy Officials (NASEO) database of companies that satisfy ARRA “Buy American” requirements.

All of our metal halide and LED lighting products meet “substantial transformation” guidelines and are manufactured in the United States at our production plant in Pearland, TX.

Amerlux Exterior products meet the Buy American guidelines required for buyers and grantees who are entered into ARRA contracts and projects.
